

WALKING SCHOOL BUS

SAFETY

Walking School Bus parents:

1. Please make sure your child understands the "Three Golden Rules" and realizes how dangerous a street of high-speed cars can be.
2. Tell your child that he/she must follow instructions given by the WSB leader and could be removed from the Walking School Bus for persistent dangerous behavior.

Walking School Bus leaders:

1. Be visible by wearing your green reflective vest or Walking School Bus t-shirt every day.
2. At the start of each walk to school, remind the children of the "Three Golden Rules:"
 - * Walk (Don't Run)
 - * Stay on the Sidewalk
 - * Walk Sensibly (No Horsing Around)
3. Walk together as a group. If necessary, put a parent or an older child at the front with instructions to slow everyone down so the last person is not too far behind.
4. Cross side streets as a group, by allowing slower walkers to catch up before crossing. Make eye contact with stopped drivers and be sure they are letting you cross before entering the road. Appoint a child to walk halfway with the flag and then stay there until everyone has crossed.
5. Cross main streets at a crosswalk or intersection. Do so as a group.
